

## ***COVID-19 Update***

Under recommendation from the College of Denturists of British Columbia, we are temporarily suspending all non-essential denture services due to the COVID-19 pandemic. The situation is changing rapidly and this suspension will therefore be in effect until further notice. If you have a denture emergency, please call our office and leave a message. We will be monitoring our messages and will call you back.

Thank you for your understanding.  
Langford Denture Clinic.
